2. Why did you choose an HBCU over a pwi?*

Because I didn't like a classroom full of people. [How did you decide to become a student at Morris College?] When they came to my high school. They had my major, Early Childhood. And there was a friendly atmosphere

3. What is the story of your "experience" at Your HBCU given its heralded status as a stellar and prestigious institution?*

I enjoy it, it gave you the responsibility of being an adult.

4. "First time" experiences at your HBCU?*

N/A

5. Who are the professors that have impacted your life in and out of the classroom? How did they do that?*

Dr. David and Mrs. Roy [What did they do that continues to mean so much to you to this day?] I'm a very shy person and they got me to talk in front of the class. It was something to experience being away from home.
