1. Where are you from? Who introduced you to HBCUs?*

I'm from Kansas City, MO. I was introduced to HBCU's by my 3 cousins. Two of them went to Howard and the other went to Dillard in New Orleans.

"I've had a great experience so far."

2. Why did you choose an HBCU over a pwi?*

I chose an HBCU because I felt like I would get more support from the staff with whatever I do on campus, the atmosphere of the campus and the students, and because they really do cater to your needs if you need help!

3. What is the story of your "experience" at Your HBCU given its heralded status as a stellar and prestigious institution?*

I've had a great experience so far. I've learned a lot about myself as a grown woman. The HBCU life has given me the necessary tools to succeed and I'm so grateful for it. Lincoln might be small but the whole campus is like a family.

4. "First time" experiences at your HBCU?*

Being at school I've had a lot of "firsts". Sipping on something to drink, seeing organizations in action, my first boyfriend, my first heartbreak..

5. Who are the professors that have impacted your life in and out of the classroom? How did they do that?*

Dr. Gossett is my favorite just for the simple fact that she motivates you to try and succeed and not a lot of professors push you to do that..

"I was introduced to HBCU's by my 3 cousins."
