I am from Houston, Texas but Hattiesburg, Mississippi will forever be my home. I was introduced to HBCUs by my grandmother and mother, when I was younger they would tell me about their experiences.

Proud Morehouse Man Jeremy Garner of Morehouse College (Class of 2017)

2. Why did you choose an HBCU over a pwi?*

I wanted to learn more about my ancestors history and more about my culture. I also want to know how African Americans leaders became so great from the schools that they went to.

3. What is the story of your "experience" at Your HBCU given its heralded status as a stellar and prestigious institution?*

My HBCU experience is better than what I expected it to be. I have already started making my lifetime bonds with my fellow brothers of Mother Morehouse and I am glad that I applied to this institution and I wouldn't have it any other way.

4. "First time" experiences at your HBCU?*

N/A

5. Who are the professors that have impacted your life in and out of the classroom? How did they do that?*

All my professors are leaving impressions and lessons on me. They are showing me how the outside world works and that hard work and determination will help you get a long way in life.
