1. Where are you from? Who introduced you to HBCUs?*

Plaquemine, Louisiana.

2. Why did you choose an HBCU over a pwi?*

I chose to go to Grambling because of the culture of the HBCU and for a chance and opportunity to be away from home to get the real college experience.

3. What is the story of your "experience" at Your HBCU given its heralded status as a stellar and prestigious institution?*

I chose to go to an HBCU because of its history and culture and actually attended along with 3 high school friends. I have a great respect for HBCUs.

4. "First time" experiences at your HBCU?*

Actually grew up going to and attending football games at Southern University but never had a

desire to attend. Going to GSU was a great experience for me to get out on my own and meet people from other areas.

5. Who are the professors that have impacted your life in and out of the classroom? How did they do that?*

Professor Daigs business law. Taught me to be confident and to stand up.
